# SUIT UP FOR SUCCESS DRIVE

In celebration of our 65th City Birthday, we're inviting the community to donate gently used suits and professional attire to help others in need to dress for success!

Let that suit in your closet find a new purpose—whether it's for a job interview, school dance, church service, or special night out.

Your donation can be a confidence booster and a fresh start for someone in our community.

- ✓ **Men's and women's suits**
- ✓ **Clean and in good condition**

Let's come together and uplift each other—one suit at a time!
